

FAQs

How much does it cost?

eCoffeeCard is FREE to use for all cafes and customers, our revenue is based on small advertisements.

How does it work?

We supply your café with a barcode that is unique to your business. All the customer needs to do is download our eCoffeeCard app and scan the barcode. Watch a demo [here](#).

How do I sign up?

Simply go to our [website and enter your details](#). We will send you an email starter pack to your nominated email address.

How does the customer redeem a free cup?

The customer generates a voucher on their phone that flashes to show you're café name, time and date. The voucher expires after 4 minutes, and you don't need to do anything else.

What phones does it work on?

iPhone, Android, Windows and Blackberry

What are the benefits?

Environmentally friendly
Customer database – send updates and specials
Promote daily specials
